## LAN Switch TP-LINK TL-SG1005D 101001000 5port

Šifra: 12068  
Kategorija proizvoda: Switch uređaji  
Proizvođač: TP-Link

Cena: **2.268,00** din.

### HARDWARE FEATURES

|                               |                                                                |
|-------------------------------|----------------------------------------------------------------|
| <b>Interface</b>              | 5 10/100/1000Mbps RJ45 Ports<br>AUTO Negotiation/AUTO MDI/MDIX |
| <b>External Power Supply</b>  | 100240VAC, 50/60Hz                                             |
| <b>Dimensions (W X D X H)</b> | 6.5*4.3*1.1 in. (165*108*28 mm)                                |
| <b>Fan Quantity</b>           | Fanless                                                        |

### SOFTWARE FEATURES

|                            |                                                                                                          |
|----------------------------|----------------------------------------------------------------------------------------------------------|
| <b>Transmission Method</b> | Store and Forward                                                                                        |
| <b>Advanced Functions</b>  | Green Technology, saving power up to 70%<br>802.3X Flow Control, Back Pressure<br>Auto-Uplink Every Port |

### OTHERS

|                            |                                                                                                                                                                   |
|----------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Certification</b>       | FCC, CE, RoHS                                                                                                                                                     |
| <b>Package Contents</b>    | 5-Port Gigabit Desktop Switch TL-SG1005D<br>Power Adapter<br>User Guide                                                                                           |
| <b>System Requirements</b> | Microsoft® Windows® 98SE, NT, 2000, XP, Vista™ or Windows 7,<br>MAC® OS, NetWare®, UNIX® or Linux.                                                                |
| <b>Environment</b>         | Operating Temperature: 0°40° (32104); Storage Temperature: -40°70° (-40158); Operating Humidity: 10%90% non-condensing;<br>Storage Humidity: 5%90% non-condensing |
